From

Khan Bahadur J. Hussain, Bar-at-Law,
Collector of South Kanara.

The Secretary to the Board,
Land Revenue and Settlement,
Madras.

Sir,

Assignment - Land - Udipi Taluk - (South Kanara District) - Shirwa village - S.No.254/2 - Extent 3 acres 85 cents - Parish Union of the Diocese of Mangalore - Sanction solicited

S.No.254 of Shirwa village includes kumki portion on the west and non-kumki portion on the east. There are an old mud wall and a fence running through the middle of the plot, on the north, and the south east as shown in the eye-sketch thus (x x x). The Tahsildar of Udipi, on grounds of exclusive possession and enjoyment recommended the kumki and the non-kumki portion north of the wall to the adjoining kadim holder Thungamma Shedthi, and the kumki with its ----- adjunct south of the wall to the Parish Union of the Diocese of Mangalore, as consented to by the Vicar of the Shirwa --- church to whose kadim lands it forms kumki and kumki adjunct. The Sub Collector, Coondapoor on personal inspection found that the wall and the fence raised up during hakkal cultivation were not a deciding factor of exclusive possession and enjoyment, and besides the removal of the green leaves by the tenants of the kadim holders, there were no other traces of exclusive possession and enjoyment. Considering the growing demand from the poor people of Shirwa for house-sites, he --

recommended the reservation of the non-kumki portion for assignment under the house-site rules. I have accordingly reserved the non-kumki portion subdivided as S.No.254/3 for assignment under the house-site rules, and recommend that the Board may be pleased to move the Government to accord sanction for the assignment of S.No.254/2 to the Parish Union of the Diocese of Mangalore.

2. There are no sandalwood trees in S.No.254/2.

3. There is a water channel and a foot path passing through the plot. The existing rights will be reserved in the assignment order.

4. The Parish Union owns 5 cents of garden in Shirwa village, valued at about Rs.50. The extent of land owned by it in the whole district is 56 acres 93 cents, and its market value is estimated at Rs.3150/-.

5. The records of D.R.766/39 are enclosed.
